

UAS4EUROPE-CONFERENCE 2019 BLIND BRAINDATES

Innovation does not happen by itself. It starts with a spark, a brilliant idea, a serendipitous meeting of minds while gathering the right people around you.

So come and enjoy our little café, meet people for brief 'Braindates', and share knowledge or even better: business cards! Let the spark for your next brilliant research start at the UAS4EUROPE-conference!

Braindates Café

The Blind Braindate Café will open its doors in the downstairs beer cellar. You can participate in one of the two dating sessions during the afternoon of the Conference: from 15:45 to 16:15 or from 16:30 to 17:00. Remember: you should never be late for a date!

Under some soothing music and some dimmed table lights you will get the opportunity to meet someone interesting every 5 minutes so if there is no innovative click, don't worry a next table will be waiting. You will have 30 minutes to look for the perfect match. You as a visitor will have some time to present yourself and your inspiring ideas!

If you are interested in taking part in the Braindate Café to present your ideas, your projects and your institution to other UAS representatives: please send a short email to info@uas4europe.eu
