President

After his apprenticeship as an electrician, Crispino Bergamaschi studied at the polytechnic HTL Brugg-Windisch.

He received his MSc in Electrical Engineering and PhD (with honours) in Semiconductor Physics at the ETH Zürich.

In 1995 he was elected as Professor of Microelectronics at the HTL Brugg Windisch and, in 1999, appointed Director of Research at the University of Applied Sciences Aargau.

From 2001 to 2010 Professor Crispino Bergamaschi was Rector of the School of Engineering and Architecture at the University of Applied Sciences in Lucerne.

Since January 2011 Professor Crispino Bergamaschi has been the Rector (President of the Board of Directors) of the FHNW University of Applied Sciences and Arts Northwestern Switzerland.

From 2015 to 2019 Professor Crispino Bergamaschi was president of the chamber of universities of applied sciences and vice president of swissuniversities.
